SPONSOR A CHILD

*a Holy Cross partnership with the
Diocese of Durgapur*

Dear Sponsor,

We thank you from the bottom of our hearts for your invaluable support through sponsoring your Godchild, through the partnership of the Diocese of Durgapur and Holy Cross. With the help of your generous sponsorship, your sponsored child has been able to get school supplies, school uniforms, backpack, and good nutritious meals. It has also helped your sponsored child get quality academic coaching, computer education, specialized training in music, arts, dance, marital arts, and gardening. Thank you for your generous support. We hope that you will continue your valued support in the coming years so that these children can flourish and live to its full, and become responsible, educated, cultured citizens of tomorrow and go shoulder to shoulder with this ever changing fast paced world.
